Re: Participation Letter

The Navajo Nation (NN) Department of Information Technology (DIT) under the Division of General Services is hosting the fifth Navajo Nation Information Technology Summit (NNITS), which will be held at the Hyatt Regency Downtown Hotel in Albuquerque, New Mexico on November 14th-17th, 2016. Our technology summit theme is "*Era of Cyber Solutions*".

Your participation in this summit will be greatly appreciated by the Navajo Nation as a whole to educate and disseminate information relevant to technology. This Navajo Nation IT Summit will continue the path that was set with previous technology summit outcomes to convene, educate, charge, and mobilize key stakeholders to strengthen the strategic information technology roadmap.

We are expecting around 350 to 400 Navajo employees from the various executive, legislative, judicial departments and many other tribal programs to be in attendance at this summit. It would be an honor and a privilege to DIT if you would participate in our NNIT Summit.

With your participation I know we can make a difference. Please feel free to contact me at 928-871-6002 if you have any questions. For more information on this event, you may visit our website:
